# MICRO MARKETS

Enhance your business with innovative micro markets.

## OPEN STORE CONCEPT

Shelves and glass coolers allow employees to examine products before they purchase.

## CUSTOMIZABLE OPTIONS

Food and beverage selections are tailored to your location and employee preferences.

## SELF-CHECKOUT KIOSKS

Checkout couldn't be easier at our secure, touchscreen-driven micro market kiosks.

## LOOKING FOR THE RIGHT MICRO MARKET?

### STANDARD MICRO MARKET

A self-serve market with 24/7 access, healthy options, and easy self-checkout—simple, convenient, and customizable.

### SUBSIDIZED MICRO MARKET

Your company covers part of the cost, so employees enjoy lower prices and healthier choices.

### HYBRID MICRO MARKET

Hybrid markets combine free and paid items to reward employees while keeping costs flexible.

### BISTRO TO GO

An upgraded market with gourmet meals and modern design—perfect for a stylish, boutique break room.

## CREATE THE IDEAL OFFICE BREAK ROOM WITH A SUBSIDIZED MICRO MARKET

A subsidized micro market in San Francisco and Sacramento lets you, the employer, cover part of the cost of snacks and beverages so employees enjoy discounted prices. Open 24/7, it offers fresh meals, frozen options, and refreshing drinks in a flexible, self-service setup. With no staff required, it excites employees and transforms your break room into a standout workplace amenity.

# OFFICE PANTRY

Bring the ultimate benefit to your break room.

## ENHANCE PERKS WITH AN OFFICE PANTRY

An office pantry is more than just a perk; it's an investment in your employees. Providing free snacks and drinks to your team boosts morale, supports health and wellness, and creates a positive workplace environment that helps retain top talent. It's also a powerful recruiting tool, helping your company stand out to prospective hires.

Easily customize your pantry service menu

Provide workplace perks that result in happier and engaged employees

Offer sought-after nutritious options to support a healthy lifestyle menu

Enjoy a worry-free experience while we take care of everything

## CHILL. SNAP. ENJOY. WITH COLDSNAP

Stand out with frozen treats employees love. ColdSnap makes ice cream, protein shakes, and frozen lattes in under two minutes—no prep or refrigeration. Shelf-stable pods with real milk, cream, and fruit deliver fresh flavor and smooth texture every time. Compact, easy to manage, and eye-catching, ColdSnap engages employees and helps vendors drive repeat use and revenue.

# OFFICE COFFEE

Energize your team with office coffee solutions

## BREW BETTER MOMENTS AT WORK

We make it easy to keep your team energized with high-quality coffee solutions tailored to your workplace. From classic favorites to modern brews, we offer a variety of machines and nationally recognized brands—along with all the essentials to stock your break room.

### SINGLE-CUP BREWERS

Brew one fresh cup at a time with a wide variety of flavors and minimal waste.

### TRADITIONAL BREWERS

Perfect for high-volume settings, offering consistent, reliable drip coffee throughout the day.

### BEAN-TO-CUP BREWERS

Deliver café-quality coffee with freshly ground beans for every cup at the push of a button.

## — EXPERIENCE — COFFEE SOLUTIONS

Elevate your coffee service with our advanced brewing systems and flexible options that guarantee a premium cup every time. We'll enhance your break room into a welcoming, energizing space where productivity and relaxation go hand in hand. Experience freshly roasted beans, eco-friendly brewing solutions, and outstanding service designed around your team's preferences.

## REFRESH YOUR TEAM WITH **WATER FILTRATION**

PVS Refreshments delivers modern, eco-friendly water systems with bottleless designs and touch-less dispensing. Enjoy hot, cold, sparkling, and flavored water—plus ice—on demand for a clean, convenient break room upgrade.

### COUNTERTOP MODELS

Our countertop models are perfect for smaller spaces.

### FLOOR-STANDING MODELS

Experience the convenience of our modern floor-standing models.

### HOT & COLD WATER

Instantly enjoy hot tea or chilled water with one press.

### BOTTLELESS UNITS

Skip the need for 5-gallon bottles and go bottleless.

## UPGRADE YOUR **HYDRATION**

### WITH BEVI SMART WATER COOLERS

At PVS Refreshments, we're excited to offer Bevi Smart Water Dispensers, available in both countertop and Standup units as part of your break room experience. Bevi is more than just water; it's a modern hydration solution that lets employees enjoy still or sparkling water with a variety of refreshing, zero- or low-calorie flavors.
